

## PROJECT AWARD

# P1219 MARINE BATTALION COMPLEX AND P1288 COMBAT SERVICES SUPPORT FACILITY MCB CAMP LEJEUNE, NC

RQ is pleased to announce that we have been awarded the construction of a Marine battalion complex and combat services support facility at MCB Camp Lejeune. The scope includes a Marine battalion headquarters and battalion supply, company headquarters and team facilities, company storage buildings, battalion aide station modifications, gate canopy and visitors center, operations buildings, and supporting structures, utilities, parking, roadways, and site work. The combat service support facility will include a support building, warehouse, communication buildings, ancillary building, and supporting structures, utilities, parking, roadways, and site work. The contract also contains 5 unexercised options and 12 unexercised planned modifications, which would increase cumulative contract value to \$85,776,383.
